

Keegans Bayou Future Trail

Not Active – No Detour

Trail Development/Not Active Facility

For your safety:

Keegans Bayou Trail was built by TXDOT and is managed by Houston Public Works. The trail is closed to the public due to flood damage. Barricades at new trail segment locations are up for your safety should not be moved. The City is working with the Harris County Flood Control District to stabilize trail banks and the project should be complete by Fall 2018.

For Your Safety:

- Stay off this portion of the Keegans Bayou Trail,
- Do not access portions that appear complete, and
- Do not move existing barricades; they are in place for your safety.
